- These dates are windows within which the classroom-based assessment must be completed. Where a classroom-based assessment task has a shorter timeframe, for example 3 weeks, these exact dates will be communicated to the students by the subject teacher.
- Only under exceptional circumstances, and with the permission of the Junior Cycle Coordinator, can a classroom-based assessment task be completed beyond the end of the window.
- All classroom-based assessments must be completed by the time the Subject Learning and Assessment Review (SLAR) meeting takes place.
- Following the conclusion of the Subject Learning and Assessment Review meeting, the descriptor that has been awarded to your child will be reported to you in the next reporting cycle. The award of descriptors is final and is not subject to appeal.
- A CBA that is not completed by the time the Subject Learning and Assessment Review meeting takes place will be recorded as 'Not Reported' on the student's 'Junior Cycle Profile of Achievement'.
