Educational Resources

The PTA have put together some interesting parental resources that you may find useful in supporting your student. The resources are loosely divided into the following categories:

- [Mental Health](#)
- [Parenting](#)
- [The Digital Age](#)
- [Educational Resources](#)

We hope you find these links and resources useful.

Educational Resources

**HSE - National Health Service** - A challenging event like the COVID-19 (coronavirus) pandemic can affect everyone's mental health. Each of us is doing our best to look after ourselves.

**Jigsaw** - Jigsaw is a national centre for youth mental health. They focus on intervening early to support the mental health of those aged 12 to 25 years of age.

**Young Minds** - The UK's leading charity fighting for children and young people's mental health.

**Storytime Anytime** has a popular YouTube channel that features classics as well as the "How To Catch" books written by Adam Wallace. The videos also include "Pig the Pug" books, superhero books highlighting some favorites like the Incredibles, Lego DC Super Heroes, Guardians of the Galaxy and Black Panther.

**Brightly Storytime** is another great resource for read-aloud picture books and flip-along storytime books. Their YouTube channel is split into categories by age, making it easy to find the right book for your child.
