

Structure of the IBDP

The 6 different subject groups

The core of ToK, CAS and the EE which is included in all subjects

The Approaches to Teaching and Learning which are the 5 learner & 6 teaching skills linking the learner profile to the core and academic subjects

The Learner Profile – the core outcomes for all IB students.

International-Mindedness – a central tenet of the IB which encompasses the Learner Profile and is delivered through the core and academic subjects. A fundamental goal of the IB Mission
