

21 October 2015

Dear Parents / Guardians

Parent Numeracy Workshop

We have received some feedback from parents regarding their frustration with the difficulty in helping their children with post primary school maths.

As a result, we have organised a Parent Numeracy Workshop which will be held on Tuesday 10 November from 6.30 – 8.00pm. This Workshop will benefit parents as they will learn hands-on skills to assist their children at home with numeracy/mathematical problems and preparation for the Christmas examinations. There will be no charge for this Workshop.

This Workshop is for St Andrew's College parents/guardians only and places will be limited. If you wish to attend, please return the slip below to reception (marked for my attention) or by email to jgillane@st-andrews.ie.

Kind regards

Julie Gillane
Mathematics Teacher
