

Silver Reading Challenge

Name: _____

Form: _____

Your Mission, Should You Care To Accept It.....

Choose 4 challenges from the grid on the next page

Choose a book to match each challenge – Miss Ryan can help you

Complete the grid on page four for each of your choices

Write at least 75 words on the most interesting thing you learned from your reading

NB – the books must be by **different authors** and **not read previously**

Pick Four Challenges

A book from which you'll learn about a subject of interest	A book featuring science and technology	A book that will make you laugh	A biography
A novel that is part of a series	A novel where the main character is considered an outsider	A book that deals with an historical war-time event	A book featuring a person involved in a sporting activity
A novel set in the future	A novel written by an Irish author	A graphic novel	A fantasy novel
A novel dealing with great change in a person's life	A novel set in a dystopian society	A book set in a non-English speaking country	A book with lots of facts
