

# **INFORMATION REGARDING YOUR 3<sup>rd</sup> PROJECT**

## **TITLE: 'MY TRANSITION YEAR EXPERIENCE'**

### **DUE IN: Tuesday 30 April 2019**

The title of this Project was given to you in the first term of the academic year. Its aim is very simple – it asks you to document and reflect upon your involvement in the Transition Year Programme. The style in which you choose to present your project may vary. It may be:

- A scrapbook
- A formal written project
- A video diary
- A written diary
- An IT-based piece; or
- Any other appropriate style

The content of a good project should span everything from core and extended core academic subjects to options; practical skills to outward bound activities and PE; social awareness activities to work experience and, of course, it should include trips, events and other activities in which you participated. That is to say, it should encompass anything and everything that has made up your Transition Year experience.

**Tell us:**

- what you did
- what you enjoyed
- what you devised
- with whom you worked
- what you learned
- what organisations you encountered and worked with
- who you met along the way
- where you went

**In addition:**

- Reflect on your participation
- Suggest new things/improvements/changes
- Give some advice to students about to embark on their own Transition Year Programme

**Supporting material such as photos, websites, tickets, mementos and videos will all help to enhance your work and your subsequent Project grade.**

**The marking scheme can be found on the website and should be referred to when working on your Project in order to maximise your Project grade.**

**If you have any questions please talk to your tutor, Ms King or Mr Hickmott.**

**The deadline for this Project is 30 April 2019.**
