

Challenge Summary!

Day 1 – Book Review/Outside Challenge and Selfie check in = 48 pupil FlipGrid responses and 93 emails. Check out the FlipGrid mixtape of all the responses:

<https://flipgrid.com/+mccormack4265>

Day 2 – Kindness Poster/Garden Maths Challenge and Selfie check in = Can we beat Day 1's statistics?

Day 3 – Coming on Thursday!

SACJS BRINGS YOU **Mrs McCormack's** **Daily Challenge #2**

Click on FlipGrid link –
<https://flipgrid.com/583661c1>

All responses via FlipGrid today.
Deadline 3pm!

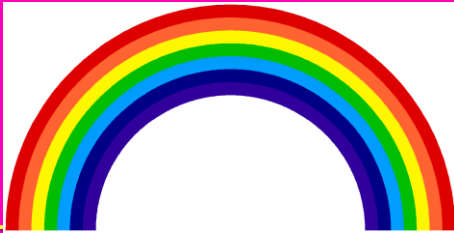

TECH TIP – To record a FlipGrid response click the GREEN BUTTON WITH THE + SIGN, login with your parents or student email and record away for your friends to see! NB This doesn't set up an account, just a response.

SACJS Kindness Poster

In Italy, school children have been making rainbow posters with the phrase 'Andra Tutto Bene' which "means everything will be ok".

Let Italy and the whole world know we are thinking of them and create a **rainbow kindness poster** using that same phrase in English, Irish or your own language!

Use colours and let your creativity go!

Go outside and draw a realistic plan of your garden or local green! You will need a measuring tape, squared paper, pencil and ruler. Include sheds, trees, flowers and interesting features!

P4-P6 I would like you to draw your plan **TO SCALE**. 1metre = 2cms. P6 - can you calculate the perimeter and area of your garden? Send a picture of your drawing on **FLIPGRID**

Maths Challenge

Third part of today's challenge
- send me a thumbs up!
