

The reasons why children should come to Saint Andrew's Junior School

We are a very friendly school and we greet everyone to make them feel welcome in the morning. We take good care of everyone in the school.

We also love animals and children can have a class pet in their class. I would choose a cat or a panda for my class.

We have some cool equipment in our playground. We have a slide, a train and an obstacle course! 😊 😊

Our teachers are very kind to us and they help us a lot when we are stuck on a question. 😊 They even sometimes send us sweets when we are in lockdown !!

We have after-school clubs like hockey and rugby and lots more. In most of our classes we have libraries with lots of great books. We also learn languages such as French and Spanish. We also have Art and PE.

OUR SCHOOL IS THE BEST 🙌 😊 😊
