

We Were Liars

“We are Sinclairs.

No one is needy.

No one is wrong.

We live, at least in the summertime, on a private island off the coast of Massachusetts.

Perhaps that is all you need to know.

Except that some of us are liars.”

We Were Liars is a young adult psychological thriller packed with unexpected twists and turns.

Cadence Sinclair spends the summers with her family on a private island off the coast of Massachusetts. Cadence, Mirren and Johnny, the teenage cousins, and Gat, the outsider, make up The Liars. The Sinclairs are wealthy, picture perfect, close knit, seemingly the perfect family. The cracks begin to show, and they run much deeper than ever expected.

This is a beautiful story of love, friendship and morals.

Appropriate for first years and up.
